## Our Team

### OUR FOUNDER

*Alice Waters*

Alice Waters, founder of Chez Panisse Restaurant and Center for the New American Cuisine in Berkeley, California, has championed local, organic food for over four decades. After helping to change the American food landscape, Alice introduced her ideas into the public schools with the Edible Schoolyard, a program that involves students in all aspects of growing, cooking, and sharing food at the table.

## The Edible Schoolyard Project Staff

Heather Campbell  
Community Manager
